Sara Woodburn

Artful woodcuts and Japanese woodblock prints that celebrate the natural world.

Wendy Brewer

Mixed media mosaics made with glass, clay, gold leaf, metal, natural and found objects.

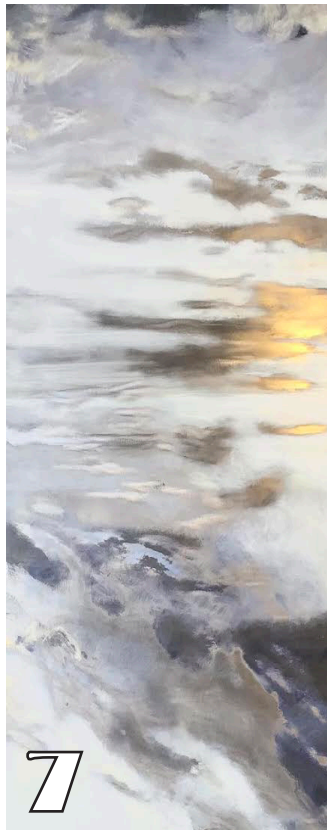

Wanda Venturrelli

Bold abstractions, large and small, in oils, Sumi and India Inks, textiles, or kiln-formed glass.

Lena Savage

Watercolors with deep, glowing colors. Portraits of ethnic people and flowers.

Misa Art

Metal art created with power tools, acrylics. When displayed with light- gives 3D impression.

Karin Aggeler

Abstract expressions in vibrant colors and soft hues.

Nancy Heffron

Mixed media explorations of vibrant colors, shapes, and textures.

Sherri West

Contemporary sculptural basketry inspired by our natural and social environment.

Brian Green

Unique vessels from locally foraged woods marked by time, fire and weather.

Morgan Green

Interpretive realism in pastels, capturing California from high Sierras to Pacific surf.

Ellen Yeomans

Plain air landscapes and cityscapes.

Brian Kuhlmann

Photography with alternative photographic processes.

Chris Owen

A minimalist approach to landscape photography.

Jim Martin

Cast and fabricated metals and reclaimed wood sculptures inspired by ancient objects and geometry.
