sbmesaartists.com

1

Ellen Yeomans

Plein air landscapes and cityscapes.

2

Lena Savage

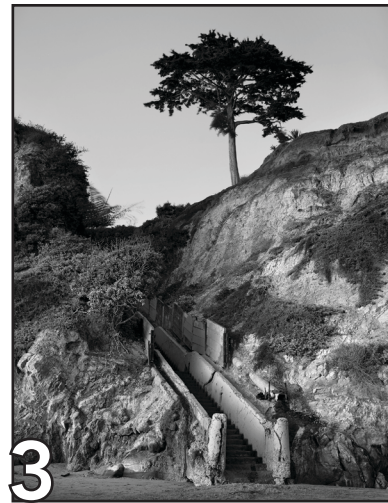

Watercolors with deep, glowing colors. Portraits of ethnic people and flowers.

3

Brian Kuhlmann

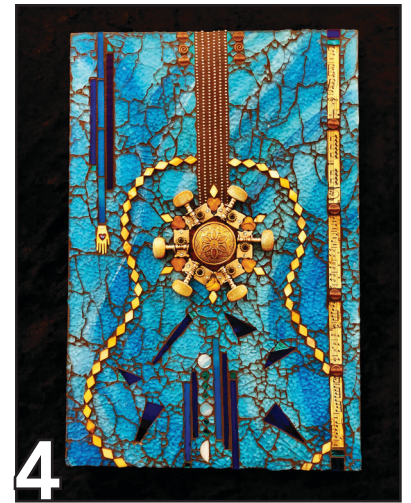

Pause, reflect, and rediscover your bond with nature.

3

Chris Owen

A minimalist approach to landscape photography.

4

Wendy Brewer

Mixed media mosaics made with glass, clay, gold leaf, metal, natural and found objects.

MESA ARTISTS STUDIO TOUR

Explore the Mesa community's hidden creative spaces.

Meet the artists, see their work, and experience the stories behind the art.

5

Helena Breese

Spontaneous photography of anything and everything I see. Sometimes the camera sees more than I do.

6

Sol Hill

I use digital sensors to record the energetic fingerprint of our universe.

7

Jim Martin

Cast and fabricated metals and reclaimed wood sculptures inspired by ancient objects and geometry.

7

Misa Art

Metal art created with power tools, acrylics. When displayed with light-gives 3D impression.

8

Karin Aggeler

Abstract expressions in vibrant colors and soft hues.
